### Professional

Full Stack Web Development (Moat Academy)

2022

## PROFESSIONAL EXEPERIENCE

### Administrative Assistance

*Federal Ministry of Defence, Abuja.*

2018 – 2019.

- Use Prioritization Skills to complete high-importance tasks before working on low-importance tasks.
- Review written content, such as Files etc. before sending them to different units. Decrease the number of technical errors found in materials by 7%.
- Prioritize high-importance emails and respond to those first.
- When issues occur, identify the problem and then focus on the solution. Ask for help when necessary and aim to improve office satisfaction by improving this skill.
